# G.R.O.W.

Growth-Mindset. Resilience. Other-Centered. Work-Ethic.

Data Input Task List

1. **Gather Data for reporting period**
2. **Choose how you want to represent time on the X axis – (*Daily, weekly, monthly*)**
3. **Input the dates (or week/months if chosen) on the left hand column**

OC Behavior Data and Graph

Date	Property Destruction	Req. Alt assignment	Complete Assignment
9/3	83	17	0
9/10	62	25	13
9/19	50	37.5	12.5
9/23	38	50	12
10/3	29	57	14
10/10	37.5	50	12.5
10/14	22	67	11
10/21	80	20	0
11/5	15	71	14
11/11	0	78	22

OC Behavior Data

Analysis: In september, Oscar engaged in Property destruction in an average of 58% of opportuniteis, requested an alternative assingment in 32% of opportunites, and completed the assignment w/o problem behavior in 10% of opportunities. Currenly, Oscar engages in Property destruction in an average of 8% of opportunities indicating a descending tredn, requested an alternative assingment in 74% of opportunites indicateing an ascending trend, and completed the assignment w/o problem behavior in 18% indicating an asceding trend.

4. **Update target behaviors (*and replacement/desired behaviors if tracked*)**

OC Behavior Data and Graph

Date	Property Destruction	Req. Alt assignment	Complete Assignment
9/3	83	17	0
9/10	62	25	13
9/19	50	37.5	12.5
9/23	38	50	12
10/3	29	57	14
10/10	37.5	50	12.5
10/14	22	67	11
10/21	80	20	0
11/5	15	71	14
11/11	0	78	22

OC Behavior Data

Analysis: In september, Oscar engaged in Property destruction in an average of 58% of opportuniteis, requested an alternative assingment in 32% of opportunites, and completed the assignment w/o problem behavior in 10% of opportunities. Currenly, Oscar engages in Property destruction in an average of 8% of opportunities indicating a descending tredn, requested an alternative assingment in 74% of opportunites indicateing an ascending trend, and completed the assignment w/o problem behavior in 18% indicating an asceding trend.

5. Input the Behavior data

OC Behavior Data and Graph

Date	Property Destruction	Req. Alt assignment	Complete Assignment
9/3	83	17	0
9/10	62	25	13
9/19	50	37.5	12.5
9/23	38	50	12
10/3	29	57	14
10/10	37.5	50	12.5
10/14	22	67	11
10/21	80	20	0
11/5	15	71	14
11/11	0	78	22

OC Behavior Data

(Line graph — Percent of Opportunity vs. dates 9/3 through 11/11, with series: Property Destruction, Req. Alt assignment / Adult Help, Complete Assignment w/o bx)
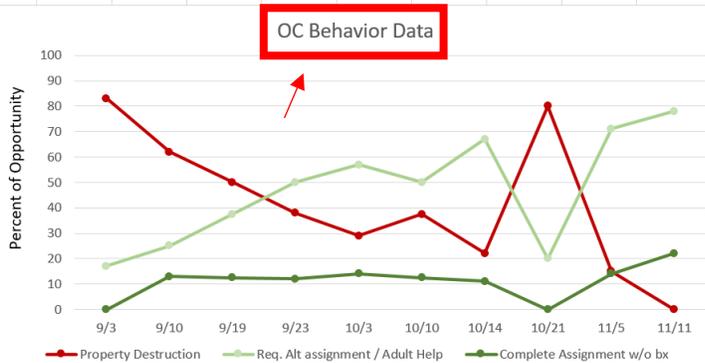

Analysis: In september, Oscar engaged in Property destruction in an average of 58% of opportuniteis, requested an alternative assingment in 32% of opportunites, and completed the assignment w/o problem behavior in 10% of opportunities. Currenlty, Oscar engages in Property destruction in an average of 8% of opportunities indicating a descending tredn, requested an alternative assingment in 74% of opportunites indicateing an ascending trend, and completed the assignment w/o problem behavior in 18% indicating an asceding trend.

## 6. Update Graph Title (On top of graph) e.g. *OC Behavior Data, OC Goal 1, etc)*

OC Behavior Data and Graph

Date	Property Destruction	Req. Alt assignment	Complete Assignment
9/3	83	17	0
9/10	62	25	13
9/19	50	37.5	12.5
9/23	38	50	12
10/3	29	57	14
10/10	37.5	50	12.5
10/14	22	67	11
10/21	80	20	0
11/5	15	71	14
11/11	0	78	22

OC Behavior Data

(Line graph — Percent of Opportunity vs. dates 9/3 through 11/11, with series: Property Destruction, Req. Alt assignment / Adult Help, Complete Assignment w/o bx)

Analysis: In september, Oscar engaged in Property destruction in an average of 58% of opportuniteis, requested an alternative assingment in 32% of opportunites, and completed the assignment w/o problem behavior in 10% of opportunities. Currenlty, Oscar engages in Property destruction in an average of 8% of opportunities indicating a descending tredn, requested an alternative assingment in 74% of opportunites indicateing an ascending trend, and completed the assignment w/o problem behavior in 18% indicating an asceding trend.

7. **Update Y axis label to match Data tracking method (On the left side along the y axis)**
   e.g. *rate per day, average rate, percent of opportunity, longest duration, average duration, etc*

OC Behavior Data and Graph

Date	Property Destruction	Req. Alt assignment	Complete Assignment
9/3	83	17	0
9/10	62	25	13
9/19	50	37.5	12.5
9/23	38	50	12
10/3	29	57	14
10/10	37.5	50	12.5
10/14	22	67	11
10/21	80	20	0
11/5	15	71	14
11/11	0	78	22

OC Behavior Data — Percent of Opportunity; Property Destruction, Req. Alt assignment / Adult Help, Complete Assignment w/o bx

Analysis: In september, Oscar engaged in Property destruction in an average of 58% of opportuniteis, requested an alternative assingment in 32% of opportunites, and completed the assignment w/o problem behavior in 10% of opportunities. Currenly, Oscar engages in Property destruction in an average of 8% of opportunities indicating a descending tredn, requested an alternative assingment in 74% of opportunites indicateing an ascending trend, and completed the assignment w/o problem behavior in 18% indicating an asceding trend.

8. **Update Figure Caption (*Optional component*)**
   - **Example A: In September, Oscar determined the central idea of a text, analyzed its development, and provided a summary in an average of 16 opportunities. Currently, he does so in an average of 90% of opportunities. Data indicates an ascending trend.**
   - **Example B: Percentage of Arithmetic Operations assignments with at least 80% accuracy across 3 months for Oscar; Data indicates an ascending trend.**

OC Behavior Data and Graph

Date	Property Destruction	Req. Alt assignment	Complete Assignment
9/3	83	17	0
9/10	62	25	13
9/19	50	37.5	12.5
9/23	38	50	12
10/3	29	57	14
10/10	37.5	50	12.5
10/14	22	67	11
10/21	80	20	0
11/5	15	71	14
11/11	0	78	22

OC Behavior Data — Percent of Opportunity; Property Destruction, Req. Alt assignment / Adult Help, Complete Assignment w/o bx

Analysis: In september, Oscar engaged in Property destruction in an average of 58% of opportuniteis, requested an alternative assingment in 32% of opportunites, and completed the assignment w/o problem behavior in 10% of opportunities. Currenly, Oscar engages in Property destruction in an average of 8% of opportunities indicating a descending tredn, requested an alternative assingment in 74% of opportunites indicateing an ascending trend, and completed the assignment w/o problem behavior in 18% indicating an asceding trend.
